

## 2005 US EC12 National Championship Hotel Room Reservations Information

Room reservations at Disney's Pop Century Resort for the 2005 EC-12 Nationals will be handled by Magellan 360/TRAVA. As one of Walt Disney World's leading travel vendors, TRAVA is ready to assist you in planning your trip to the East Coast 12-Meter Nationals to be held at Walt Disney World in Orlando, Florida.

TRAVA is a full service travel agency whose professionals understand the unpredictable and personal nature of travel. They serve business, leisure, and special interest travelers the way they want to be served when they travel. They deliver value through consultation and planning that leads to securing the appropriate travel services at best available prices. They possess a passion for travel done right and keep your best interests in mind while they do what they love doing.

TRAVA has offered us their services at no charge to us and they have put up the initial room deposits to Disney for us. A block of 45 rooms has been reserved by TRAVA for us at Pop Century Resort. More rooms may be added if needed.

The first step in the reservation process is to email Pam with all of your information so that she can compile the rooming list. Unlike making reservations for a hotel room at any other regatta, these rooms have already been booked. We simply need to get the list of names and the type of rooms needed. At a later time prior to our room block deadline with Disney, Someone from TRAVA will contact you to confirm your reservations and go over any other needs you may have.

### **Email your info to [pam@magellan360.com](mailto:pam@magellan360.com).**

*Include in your email your*

*Name; Address; Phone; Email address; Number of people; Arrival Date; and Departure Date*

Your credit card number is optional, they will call if you are nervous about giving it in your email.

*Also include any special room requests and if you are interested in Disney passes.*

When booking your room, please identify yourself as a *competing member, staff member, or observer* attending the East Coast 12-Meter Nationals at Walt Disney World in Orlando. They will take care of the rest and you will get a confirmation at a later date. We will be getting rooming lists updates from TRAVA and can confirm reservations periodically.

**You may call TRAVA at 800-873-1027, ask for Pam.**

**Email Rick West at [ranger-ric@mindspring.com](mailto:ranger-ric@mindspring.com) or Joe Walter at [floridaec12@comcast.net](mailto:floridaec12@comcast.net) if you have any questions or concerns.**

In addition to TRAVA handling all your room reservations, they stand ready to help with any other travel needs you might have including airline reservations, car rentals, and more.

Disney has also offered our group discounts to all of the theme parks and most of the other shows. A list of the discounted prices are included here. You can also have TRAVA reserve your tickets for the parks at the same time you make your room reservations.
